I seen this ho, yeah whats up bitch
A nigga never knew that he could fuck so quick
Looney as the mutherfucka its the D O G
The K U R U P T and the D A Z

Well, a you know how we treat ho's
Slammin' on they back like Dominoes
On how I don't love love a bitch while a bitch still shit
That's the reason why your main ho ate my dick

Eh yo she ate yo dick she ate mines too
Now what the fuck did me and D A Z pursue
We served the ho's gin and juice then we blazed up the
sac
Relax to chill the bitch didn't know how to act

Now they all fucked up and there's a knock on the door
Who is it?
It's my nigga Snoop Dogg wit a flock a ho's
Man I brought dick suckin' Annie Mae, ass lickin' Sandy
Fae
Renee, Cherl and this here is Tanqueray
Ladies chill make yourself at home, once again it's on

Now if he fuck and if style fuck
And if Snoop fuck then we all gon fuck
But if you fuck and if dat nigga Daz fuck
And if he fuck then we all gon fuck

Now if I fuck and if I fuck
Yo and if I fuck then we all gon fuck
What if Snoop fuck and if I bust a nut
And if I bust a nut then we all gon fuck

Drip, drop, drop, drip
Look at these ho's all over my dick
Tic, toc, toc, tic
Ho's be talkin' shit but steady goblin' dick

Shit I'm surprised to see this bitch at the party
Man I like that one Id bet she'd eat a fat one
I bet I'd fuck that bitch, I see it in her eyes

I know what she be wantin'
The ho think I got a gang a endz
I could fuck her and probly 20 a da bitch friends

Back off or jack off and quit that jaw jackin'
And get my muthafuckin' endz stackin'
You know how my program flow
I don't love you ho

I see my cousin Joe Cool pull me to the side
And got us all high
Now why are we high as Venus you see us floatin'

Whole up, waz up?
Waz up
Where's Thurman?
Up in here
How many ho's y'all bringin' over here
About 5 for each

Where y'all at the freeway?
We on the freeway
Damn, took y'all long enough we was jumpin' like a mu
When it was about 11 o' clock
Who the hell over there Kurupt over there?

Yeah me, dogg
Is Snoopy Dogg over there?
Yeah
Well, tell that nigga I said whole up we gon be there
On them thang in a minute
Aight so we gon be here

What?
Ee gon be here wit some more ho's chillin' and relaxin'
[Incomprehensible]
That's right thats right none of us don't carry nuttin'
It's goin' down, down

Yo we all gon fuck
