[Daz Dillinger]

Whip out the Chevy, ride up Crenshaw on a Sunday  
afternoon

We '6-4 bounce and live it up and let's cruise

My music bumpin', let the top down

Let the world see who it is, Daz and Kurupt (from Tha  
Pound)

We C-Walkin', G talkin', everybody everywhere

Good to see ya here homie, good to see ya there

The price of livin's fair, pour out some liquor

And this is how we do it, just me and my nigga

You know my steez, I do it at ease

Bitches nibble on my dick like a rat does cheese

Swift out when I come through bouncin'

Drinkin' Olde English straight out the fountain

Ain't no mountain I can't climb

It's just my flow and my rhyme, time will prevail nigga  
with time

I keep it energized, power on up

I'm cuttin' it up to mix it down, nigga we fuckin' it up

[Chorus] - X 2

It's a good ass day

I'm playin' with '6-4s and '6-treys

Yeah it's on and crackin' baby

Gotta keep it rockin' the hood way

Yeah, it's a good ass day

[Kurupt]

Just a little bit of heaven in ya, bangin' Devin

Rollin' down the streets like...

Smokin' that weed, feelin' fine

Got me a 40 and fat ass dime

Back in the days it was like Vietnam

Nowadays it seems like everybody's bitter

Make a nigga turn into Gotti Adolf Hitler

What you about, you can tell your boy

I'm the real McCoy, I ride like alloy

Look nigga, it's just a California thang

It's the way we are, it's just the way we bang

Ever since Snoop dropped "G Thang"

The party's been poppin' in the G wing  
This is how it cracks in the G college  
Where all that ya learn is the G knowledge  
That motherfuckin' D.P.G.C. knowledge

[Chorus] - X 2

It's a good ass day  
I'm playin' with '6-4s and '6-treys  
Yeah it's on and crackin' baby  
Gotta keep it rockin' the hood way  
Yeah, it's a good ass day

[Daz Dillinger]

West Coast, West Coast, yeah I said the West Coast  
Who got that gangsta shit and who got the best smoke  
Yes so for sure, how to really explain it, it's simple  
I'll crush the nickle, have ya suckin' a pickle  
All I need is one gun, it'll do the job fine  
I'll watch yo' back and you watch mine  
Bring them toys out, we hoppin' all over the world  
This for my homeboys and all my homegirls

[Kurupt]

Ya know, this is just temporary  
I can't help to think about Morgan and Mary  
McKenzie, Trent and Cam  
All I'ma do is just ride and ram  
Expand past islands, Japan  
And just come up with my own island and land  
Been past the moon, Mars ain't far  
I've been around the greatest entertainers and stars  
A youth uncouped without a shred of proof, low-key

[Chorus] - X 2

It's a good ass day  
I'm playin' with '6-4s and '6-treys  
Yeah it's on and crackin' baby  
Gotta keep it rockin' the hood way  
Yeah, it's a good ass day
