[Kurupt]
The concrete crackin the shells
You aim for the chest and ride for the west

[Daz]
See everybody used to tell him that he wouldn't never

But evidently it did.. (evidently it did)
A nigga got older.. (a nigga got older)
And had a few kids.. (and had a few kids)
Keep throwin hogs in the war, lettin off in the warzone

[Daz]
Until this day, motherfuckers still think we wrong
Put a bullet in ya dome, run in yo' home
