[Intro: Snoop Dogg]

Check this out baby girl

There's a few things I wanna explain to you, ya know

Now if you gon' be with me we gotta vibe together

Now that word means a whole lot to me

Now what I mean by that, it's simple as this

You gotta open up your head

Matter of fact, open up your mind

And let me put my head inside of your head

So you can think like me

and move like me and vibe like me

You know what I'm talkin' bout?

[Chorus: Snoop Dogg]

You can smoke, you can roll

You can move, you can groove

You can drink, you can ride

You can vibe with a pimp

You can bounce, you can tip

You can slip, you can ride

You can shake, you can slide

You can vibe with a pimp

[Kurupt]

You can vibe with a pimp, ride with a pimp

Dip when I dip, come by my crib

Post with a playa, let me show you what it is

I don't really want too much mama, just a little bit

I came to give you want you want mama, wait a little bit

Got this place I gotta get to, I'ma tell you what it is

You can roll, you can post, we can ride up on the coast

Just post with your folks, just vibe with a pimp

See what I see, she said I'm G'd up, I said I'm guilty

Now run up in the spot girl and throw on somethin' silky

Bad to the bone, pure redbone

Vibe with a playa, and show me what you're made of

Ridin' with the all chrome D's on the Brougham

Out to get the paper, sparklin' like my Dana's

Wide with the all gold hundred-spokes on

G'd as I wanna be, can't you see what I see?

[Chorus: Snoop Dogg]

You can smoke, you can roll
You can move, you can groove
You can drink, you can ride
You can vibe with a pimp
You can bounce, you can tip
You can slip, you can ride
You can shake, you can slide
You can vibe with a pimp

[Daz Dillinger]

C'mon and ride with a gangsta mack
Pimp, dip, slide with this
C'mon Snoop git, blaze that shit
We got these hoes mesmerized
Hypnotized, blowin' they mind
A real nigga like this hard to find
Fuck a smile, give me some money bitch, give it to
daddy
In a 645 to a '7-trey Caddy
Got 'em ringin' my phone, they won't leave me alone
Stand on it just like a rock, I'll break 'em hard as a
stone
Conversation, illustration, plus a whole lot of patience
I'll have yo' bitch ass sittin' at the bus station
It's pimpin', my money hold me down, I ain't limpin'
Everything I got is on these motherfuckin' bitches
I can gorilla and smooth mack her, dick will slap her
Professionalism, bitch this ain't no actor
Realer than real, it's hard in the field
You got to have skills to pay a pimp's bills

[Chorus: Snoop Dogg]

You can smoke, you can roll
You can move, you can groove
You can drink, you can ride
You can vibe with a pimp
You can bounce, you can tip
You can slip, you can ride
You can shake, you can slide
You can vibe with a pimp
