

Tha Dogg Pound "What Would You Do"

Visit "[What Would You Do](#)" on MotoLyrics.com

Intro:

Yeahhh, back up in yo ass with a twenty sack

Don't wanna fuck with me

(Dogg Pound Gangstaz)

We do it like that

Motherfuckers out there be like, takin our styles

Be trying to do they own little dissing

but they can't do it, you know

So we gonna, do it like this

Sit back relax and get a cool one

Verse One: Kurupt, Daz

Have you ever heard of a slughter, I oughta start dippin

Sippin on that S-T get's me to trippin

I don't slips I bangs

with that mad ass Dogg Pound Gang it's a DPG thang

Kurupt from the S.C

You wanna test me let's see if you'll survive .45 times

Like a hollow point headed for your dome

Take a couple of steps, turn around and it's on

Couldn't withstand the murderous mental

I subdue, and then take two to your temple

when I cause holocoust from what's spittin

Niggaz collapse and when the straps is clickin

Look, this is how it's done nigga (one two three)

I grab my strap you best run nigga

I gives a fuck, Kurupt's the kingpin of the click

Littlest G, with the biggest dick

Shit, a motherfucker betta recognize

With a twist of my wrist like O.J. you all die

I snack on motherfuckers like a bone

Known to be the shit upon the microphone ever since I
was bown

Not to ever love a bitch

Learned game after game, that's why we are the best

Motherfuckers be gankin styles minute after minute

But soon as you did it I smelled the niggaz shitted

Chorus: repeat 2X

Now what would you do?

If you could fuck with me and my crew

But you can't so don't even think about

steppin in the motherfuckin house

Verse Two: Daz, Kurupt

Bitches butterfly all day, while I steady make my pay
Every single day in the LBC
Cruisin through the Eastside, me and Lil' Style
When I back up a green six-fo' bustin free styles
There's no escape, give me the papes and the tape
case
How much money can a nigga make in one place?
The review, ain't shit new
You stupid motherfuckers can't fuck wit my crew
I see all these niggaz tryin to get with my kin folk
Get so many busters on the West Coast
And then to say the least
I see a few trick ass niggaz layin low on the East Coast
And the question is asked
Do you wanna rap, scrap or blast to that nigga Daz
I'll be the first one to him em
Oh yeah, fuck B.G. Knocckout and every nigga down
with him
Cause I'm a Natural Born Killer
And I steal a half, motherfucker cuz it's like that
Chorus: 1/2
Verse Three: Kurupt, Daz
There's so many motherfuckers that I can include
Whose quick to blast motherfuckers in a feud
It doesn't make a difference, cuz it's about
who's the quickest on the draw to end all existence
For instance, let's take these Ruthless fools
These Ruthless fools and the Pound in one room
Assume, it's only for conversation, so let's
conversate slip a nigga the .38 then dip
Empty out the clip
Mind on stead-trip, cuz niggaz talk shit
Now if, a nigga had a prayer before a nigga died
Would the nigga be dead or would he stay alive?
And if I was in your shoes, would I survive?
Probably not, you'd probably let your glock go pop
Now drop, to your knees
And picture Dat Nigga Daz (flowin) flowin in the breeze
Chorus
Outro:
From the twitch of the eyes
You can see the line, just know it when you see it
Cause it messes up the flow, to the real fillings y'know
And I'd rather be sipping on a glass of wine
Can you feel yourself in the room with Everlast
Trying to steal a flow, I don't think so
Cock-blockers come with their hearts beating jealousy
In the way like a stray dog
Trying to climb, every bitch on his arm
Cock-blockers, come in every color
Even blue, now this is true

Trying to fuck your woman, and even you
Now what the fuck would you do, motherfucker?
singing What would you do? Mmm.
What would you do? What would you do?
What would you do?
If you could get with me and my crew
The weak ones stick and move
What would you do, if you could get, with my crew?
Why don't you tell me what
tell me what you would do? If you could get with
The weak ones stick and move
What would you do, if you could get, with my crew?
me and my crew, with me and my crew
What would you do? What would you do?
What would you do, if you could get, with my crew?
What would you, what would you do
If you could get with the Dogg Pound?
What would you do?
Would you get caught with your pants down?
What would you do?
If you could get with the Dogg Pound?
What would you do?
Would you get caught with your pants down?
What would you do?
If you could get with the Dogg Pound?
What would you do?
If you get caught with your pants down
