"The Last Time"

I've travelled across the universe

On wings of golden light

The lady of the mountain

Brought me comfort in the night

But the love I really need

Is further from my sight

It is yours

Oh tell my lover

I'm coming home

For the last time

I have seen the children playing

As I watched the sun go down

I've shared their games

And sung their songs

And helped their world go round

And although I know enough of life

To tie up my own shoes

I still need you

Oh tell my lover

I'm coming home

For the last time

Oh tell my lover

I'm coming home

For the last time
