If you had a choice of colors  
Which one would you choose, my brothers?  
If there was no day or night  
Which would you prefer to be right?

Now how long have you hated your white teacher?  
Who told you you love your black preacher?  
And do you respect your brothers and friends  
And share with black folks not of kin?

I said now people must prove to the people  
A better day is coming for you and for me  
With just a little bit more education  
And love for our nation, we'll make a better society

Now, some of us would rather cuss or make a fuss  
Than to bring about a little trust  
But we shall overcome our beliefs someday  
If you'll only listen to what I have to say

And how long have you hated your white teacher?  
Who told you you love your black preacher?  
And do you respect your brothers and friends  
And share with black folks not of kin?

I said now people must prove to the people  
A better day is coming for you and for me  
With just a little bit more education  
And love for our nation, we'll make a better society

If you had a choice of colors...
