My Mama say "Boy, and listen, understand  
You've got to fight hard, boy, to keep your lover's  
hand"

Mama say "Love won't come easy  
Don't think it's easy  
Love won't come easy, now, and how"

Mama say "You've got to fight, boy

Mama say "Love won't come easy  
A don't think it's easy  
Love won't come easy, now, and how"

Mama say "Boy, You've got to fight  
With all your might, yeah  
That is the right thing to do, yeah"

Mama say "Boy, You've got to fight, yeah  
With all your might, now  
That is the right thing to do"

"Love won't come easy, now, and how"  
Mama say "Boy, You've got to fight  
With all your might, yeah  
That is the right thing to do, yeah"
