"Our Day Will Come"

And our day will come
When we'll have everything
We'll share the joy
Falling in love can bring

No one can tell me that I'm too young to know
Oh, I love you so
And you love me

Our day will come
If we just wait awhile
No tears for us
Give love and wear a smile

Our dreams have magic because you will always stay
Oh, in love this way
And our day will come

Oh baby
Our dreams have magic because you will always stay
Oh, in love this way
I say our day will come
Gotta come, baby, you know I've been waiting for so
long...
