The evening star is shining bright  
So make a wish and hold on tight  
There's magic in the air tonight  
And anything can happen...

In the South Land there's a city  
Way down on the river  
Where the women are very pretty  
And all the men deliver

They got music  
It's always playin'  
Start in the day time, go all through the night

When you hear that music playin'  
Hear what I'm saying and make it feel alright

Grab somebody, come on down  
Bring your paintbrush, we're painting the town  
There's some sweetness going around  
Dreams do come true in New Orleans
