In our children's eyes love can wash away the pain
In our children's eyes storms are followed by a rainbow
And you know the sun will shine
In young hearts and in young minds
That light will grow
Watch that light grow (watch that light grow)

(Chorus)

We celebrate a joyful sight
Our future's shining bright tonight
It's reflected in our children's eyes
Our dreams fly through silver skies
In our children's eyes

In our children's eyes
Wishes chase away a cloud
In our children's eyes
Hearts are brave and strong and proud (ooo)
And in those eyes, hope stays alive
We'll live our dreams and we will try
To touch a star. We'll travel far

(Chorus)

We celebrate a joyful sight
Our future's shining bright tonight
It's reflected in our children's eyes
Our dreams fly through silver skies
In our children's eyes

To be a kid again
Take me to a time and place back when
We could be all we wanted to be
That's America, that's America to me
To me.

We celebrate a joyful sight
Our future's shining bright tonight
It's reflected in our children's eyes
Our dreams fly through silver skies

Give us a chance to dream, a chance to fly
And watch us soar (our children's eyes)

Hand in hand, our dreams come true
From shore to shore
So young, so wise.
In our children's eyes
