I know you have questions
Same ones as me
How long has it been?
How long will it be?
When will come the morning
To drive the night away?
Tell me when will
Come the morning
Of a brighter day?

Patience
Little sister
Patience
Little brother
Patience, patience
Take each other
By the hand
Patience
Little sisters
Patience
Little brothers
Let us walk together
To the promised land

There's a river to cross
And a mountain to climb
Patience, patience

It's gonna take some time

We must walk in peace
It's the only, only way
If we want to see
That morning
Of a brighter day
Of a brighter day

Patience
Little sister
Patience
Little brother
Patience, patience

We're gonna find a way
Patience
Little sisters
Patience
Little brothers
Until that morning
Of a brighter day
Patience, patience
'Til that brighter day
Patience, patience
'Til that brighter day
