Mobbin', straight billin' through the Eastside
Never had a site to rhyme but I'm still mobbin'

Dope dealers, to the fullest
I keep my glock, stuffed with rocks so watch out for the
bullets
Eastside, young nigga sportin' them chucks
Never givin' a fuck so watch out for the come up

Them Eastside niggas be the crip, crip, craziest
Ride wit my niggas, fool, we gon' die for this
No need to be a punk, just dump when I say so
Empty the clip, another block let's go

I don't give a fuck about some posted what
So C slide me the mac so I can rip shit up
We ain't finished with this mission so listen to what's
crackin'
We ain't rollin' wit you niggas that's scared to do the
jackin'

The plan don't stop, nigga, fuck the cops
If a nigga snitch he the first nigga to drop
That's all my game, we ride like macked up trucks
You know them niggas on the Eastside be givin' it up

Just blast for me and I'ma blast for you
When I'm in jail, get cash and I'ma mash for you
That's on the real, homeboy, don't let me down
I clown, homeboy and I bang the pound

We Tha Eastsidaz, what define us is we ridaz
And when we come through real niggas stand beside
us
Killers, cutthroats and knivers
Bringin' it the livest and leavin' no survivors

We Tha Eastsidaz, what define us is we ridaz
And when we come through real niggas stand beside
us
Killers, cutthroats and knivers
Bringin' it the livest and leavin' no survivors

I still wear the same pair of khakis, 'least three days
Nappy ass, French braids and it ain't no thang
Hang with motherfuckers wanted for all types of crimes
Plus them little bitty niggas on they bikes wit nines

On the grind no I rhyme nigga times is hard
Got jugs of water buried all across my yard
One time on my line tryin' ta find a cause
Toss a nigga in the street and reach up under my balls

Guns cocked, mug shots, cell blocks and locked down
But I done made it too far to stop now
Results of a banger, to most I'ma danger
No hope for those who come to close to the chamber

Bitches lovin', I'ma gangster so fuck it
No matta if I hafta I get at 'em in a bucket
Tuckin' in my shirt and all that shit don't work
First look, say, I'ma crook that did dirt for the turf

High talk, high walk when I stalk the street
Guarantee who try to see me come across the feet
It's a Eastside lifestyle, wild and foul
Goin' out, puttin' it down, sayin' fuck the trial

Aim is to be famous wit major loot
A gang of juice in case I gots to bring the troops
And everybody know the Eastside the craziest
So motherfuckers know it ain't no fadin' this

We Tha Eastsidaz, what define us is we ridaz
And when we come through real niggas stand beside
us
Killers, cutthroats and knivers
Bringin' it the livest and leavin' no survivors

We Tha Eastsidaz, what define us is we ridaz
And when we come through real niggas stand beside
us
Killers, cutthroats and knivers
Bringin' it the livest and leavin' no survivors

We Tha Eastsidaz, what define us is we ridaz
And when we come through real niggas stand beside
us
Killers, cutthroats and knivers
Bringin' it the livest and leavin' no survivors

We Tha Eastsidaz, what define us is we ridaz
And when we come through real niggas stand beside

us
Killers, cutthroats and knivers
Bringin' it the livest and leavin' no survivors
