Bitch I'm Tha Joker!

Lights, camera, action these niggas just actors,
Hundred bricks a day, I'm a fuckin contractor,
Just hit me on my razor you can get it for da low,
So sick witted they had to come and quarentine the
floor,
I got that beam in tha scope, these other rappers no
relation,
And my rythum graduating so tell them
congradulations,
I'm in the final round, got them fucking with
poliminaries,
This chopper died, nigger where is your habituary,
Get your weight up, this girl wont get her face up,
Acting like it's my birthday, I'm trying to get my cake
up,
I got my mag 11 weed, cause the clip is an
extentioning,
All I know is white, like I stay in a subdivision,
See my ride is insane, and my cash is absurd,
And every store is blue-j?
Bill them like it's 9 to 5, get somebody else to drive,
Excuse me, sir that aint mine, now ride that corner,
grind.

[Chorus]
Bitch, I'm Tha Joker.
Man you can catch me in the hood, bitch, bitch I'm Tha

Now everybody knows my name(Please excuse me
while I run the game)

The rap game like a jungle, you know I'm ready to
rumble,
And this traffic like football, I wont fumble. Got the K's,
mag. 11's, 380's, Texas chopper,
A spreya leave your click red like lobster,
A hundred round clips I'm towing heavy ammunition,
Hit you with this shooting star, and have you pussy
niggers wishing,
Bitch I'm riding real hot, just put the blades on, they
say that boy like a lamp,
Cause I keep my shades on, I rock the boss,
Cause u gotta have a place to keep the drugs,
And where is your crew bitch, I gotta have a place to
put the slugs,
She on my team thow, I got your bitch high above the
green smoke,
I'm riding clean thow, the Chevy pink like flamingo,
We got the birds flipping, got them dirty words
slipping,
Fuck you bitch I make u rent, and wen I bust it I wont
miss,
So meet me after my show if your owners want some
more,
My chopper fuck up all the niggers so I call my gun a
hoe.

[Chorus]

Bitch, I'm Tha Joker.

Man you can catch me in the hood, bitch, bitch I'm Tha
Joker

Thug niggers know what's good, bitch I'm Tha Joker
I aint never gonna change, bitch, bitch I'm Tha Joker

Now everybody knows my name(Tha Joker)

Now in the stream, man they don't play this,
But the money is outrageous, say I'm making sick bank,
So my pockets all contagious, you can roll I got your
fade,
But it aint shit for me to take it, and I know that they still
hating,

But, fuck them niggers. Used to play me up to school,
like a nigger was a geek,
Now they worse than this nerd, now they will a nigger
speak,
Hundred K in a week, nigger slane the R Kelly,
Man this nigger want the keys, well you remind me of
my Jeep
Moving birds with no beaks, cold still giving heat, check
my footwork,
Thanks to my J's on my feet, wheels looking like cleats,
Call me the Chevy Chipper Jones, I'm like osteoporosis
they can feel me in they bones.
And we sitting on black feet, choppers in the back seat,
And she aint gotta ask me she know my price exactly,
I could repeat myself a thousand times but you know
your boy Joker too cold,
So damn them floors.

[Chorus]

Bitch, I'm Tha Joker.
Man you can catch me in the hood, bitch, bitch I'm Tha
Joker
Thug niggers know what's good, bitch I'm Tha Joker
I aint never gonna change, bitch, bitch I'm Tha Joker
I don't need the fuckin fame, bitch I'm Tha Joker
Man you can catch me in the hood, bitch, bitch I'm Tha
Joker
Thug niggers know what's good, bitch I'm Tha Joker
I aint never gonna change, bitch, bitch I'm Tha Joker
Now everybody knows my name.
