I've had my share  
of life's ups and downs  
but fate's been kind  
the down's have been few  
I-I-I guess you can say  
that I-I-I've been lucky  
I-I-I guess you can say, that it's all because of you

Chorus

If anyone should ever write my life story  
for whatever reason, for whatever reason there might  
be  
true, you'd be there, between each line of pain and  
glory  
'cause your the best thing, that ever happened to me  
ohhh you're the best thing that ever happened to me

Oooh, there have been times when times were hard  
but I always somehow I made, I made it through  
cause for e-e-e-e-every moment that I spent hurting  
there was a moment that I spent on just loving you-ohh,  
yeah.

(Chorus)

If anyone should ever write my life story  
oh- for whatever, for whatever reason there might be  
oh-you'd be there, between each line of pain and glory  
'cause you're the best thing, that ever happened to me  
oh-you're the best thing, that ever happened to me  
I know you're the best thing, oh-that ever happened to  
me.  
yeah-hey-y-y.
