There's a kind of hush all over the world tonight  
All over the world you can hear the sounds of lovers in  
love  
You know what I mean  
Just the two of us and nobody else in sight  
There's nobody else and I'm feeling good just holding  
you tight

So listen very carefully, Closer now and you will see  
what I mean  
It isn't a dream  
The only sound that you will hear, Is when I whisper in  
your ear  
I love you forever and ever

There's a kind of hush all over the world tonight  
All over the world you can hear the sounds of lovers in  
love  
La-la-la-la-la-la-la  
La-la-la-la-la-la-la-la  
La-la-la-la-la la-la-la-la-la  
La-la-la-la-la

So listen very carefully, Closer now and you will see  
what I mean  
It isn't a dream  
The only sound that you will hear, Is when I whisper in  
your ear  
I love you forever and ever

There's a kind of hush all over the world tonight  
All over the world people just like us are fallin' in love  
Yeah, they're fallin' in love  
Hush, they're fallin' in love  
Hush
