Don't go out into the rain
You're gonna melt, sugar - hoe no
Come and sit here by the fire
For a spell, sugar - oh hoe
Please take your shoes off and make yourself
comfortable
The weather's miserable and you're so kissable
It's getting late - why don't you stay
It's after one - we've just begun
She's got to go - oh, no, no, no
Please don't go

Don't go out into the rain
You're gonna melt, sugar - hoe no
Come and sit here by the fire
For a spell, sugar - oh hoe
The house is ours now that everybody's gone
And while the telly's on we should be having fun
It's getting late - why don't you stay
It's after one - we've just begun
She's got to go - oh, no, no, no
Please don't go

Don't go out into the rain
You're gonna melt, sugar - hoe no
Come and sit here by the fire
For a spell, sugar - oh hoe
It's getting late - why don't you wait
It's after one - we've just begun
She's got to go - oh, no, no, no
Please don't go
