Woke up this mornin' feelin' fine
There's somethin' special on my mind
Last night I met a new girl in the neighbourhood, oh
yeah
Somethin' tells me, I'm into something good
Somethin' tells me, I'm into somethin'

She's the kind of girl who's not too shy
And I can tell I'm her kind of guy
She danced close to me like I hoped she would
She danced with me like I hoped she would
Somethin' tells me, I'm into something good
Somethin' tells me, I'm into somethin'

We only danced for a minute or two
But then she stuck close to me the whole night through
Can I be fall in love
She's everything I've been dreamin' of
She's everything I've been dreamin' of

I walked her home and she held my hand
I knew it couldn't be just a one-night stand
So I asked to see her next week and she told me I could
I asked to see her and she told me I could
Somethin' tells me, I'm into something good
Somethin' tells me, I'm into somethin'
Somethin' tells me, I'm into somethin' - aah

I walked her home and she held my hand
I knew it couldn't be just a one-night stand
So I asked to see her next week and she told me I could
I asked to see her and she told me I could
Somethin' tells me, I'm into something good
Somethin' tells me, I'm into somethin'
Somethin' tells me, I'm into something good
Somethin' tells me, I'm into somethin'
To something good, oh yeah, something good
Somethin' tells me, I'm into somethin'
To something good, something good, something good
