If it's wrong for me to know
It ain't right for you
So please be very tactful
In the things you say and do
Don't be puttin' on airs and graces
Any time of day
There's one thing I remember
And I'll always have to say

I don't care if the sun don't shine
I only really care if you are mine
I don't care if the sun don't shine today

She's a lady, say what you wanna say
Not like any other, treats me like a brother
No, I'll never find another one to take her place
She's a lady, oh oh oh, say what you wanna say
Not like any other, treats me like a brother
No, I'll never find another one to take her place

Never really made my mind up
What I wanna do
The only thing I thought about
In a week or so is you
Nighttime finds me staring through
The ceiling ward of you
I wake up in the morning
Feeling down and out and blue

I don't care if the sun don't shine
I only really care if you are mine
I don't care if the sun don't shine today

She's a lady, oh oh oh
Say what you wanna say, oh oh oh
Not like any other, treats me like a brother
No, I'll never find another one to take her place
Oh oh oh, oh oh oh, oh oh oh
She's a lady, oh oh oh-oh oh oh
Say what you wanna say, oh oh oh
Not like any other, treats me like a brother

No, I'll never find another one to take her place
