There's a kind of hush all over the world tonight
All over the world you can hear the sounds of lovers in
love
You know what I mean
Just the two of us and nobody else in sight
There's nobody else and I'm feeling good just holding
you tight

So listen very carefully
Closer now and you will see what I mean
It isn't a dream
The only sound that you will hear
Is when I whisper in your ear
I love you, forever and ever

There's a kind of hush all over the world tonight
All over the world you can hear the sounds of lovers in
love
La la la la la la

So listen very carefully
Come closer now and you will see what I mean
It isn't a dream
The only sound that you will hear
Is when I whisper in your ear
I love you, forever and ever

There's a kind of hush all over the world tonight
All over the world people just like us are fallin' in love
Yeah, they're fallin' in love - hush
They're fallin' in love - hush
