All the single ladies (7x)  
Now put your hands up  
Up in the club, just broke up  
I'm doing my own little thing  
Decided to dip but now you wanna trip  
Cuz another brother noticed me  
I'm up on him, he up on me  
Don't pay him any attention  
Cried my tears, three good years  
Ya can't be mad at me

[Chorus]

Cuz if you liked it then you should have put a ring on it  
If you liked it then you should have put a ring on it  
Don't be mad once you see that he want it  
If you liked it then you should have put a ring on it

(Chorus)

I put gloss on my lips, a man on my hips  
Hold me tighter than my Dereon jeans  
Acting up, drink in my cup  
I could care less what you think  
I need no permission, did I mention  
Don't pay him any attention  
Cuz you had your turn  
But now you gonna learn  
What it really feels to miss me

(Chorus)

Don't treat me like things of this world  
I'm not that kind of girl  
Your love is what I prefer, what I deserve  
He's a man that makes me and takes me  
And delivers me to a destiny, to infinity and beyond  
Pull me into your arms  
Say I'm not the one you own  
If you don't, you'll be alone  
And like a ghost, I'll be gone

All the single ladies (7x)  
Now put your hands up

(Chorus)
