Verse

One time back in the day when I was a young boy
My daddy told me that one day I'll have it all
Fancy cars and diamond rings
But I didn't know that I would amount to anything
But then one day met a preacher man
I got down on my knees and prayed God help me
please
My soul cried out your name to take the shame away
Now I'll never be the same
Now I know since I gave my life to Christ
I'm livin' this life I'm gonna do what's
right
My things don't mean a thing to me
Only what Jesus did for me and my family

Chorus

Oh my God is in me
We gotta praise Him, we gotta praise Him
My things don't mean a thing to me
Only what Jesus did for me and my family

Verse

In 95 I was a broken man
Was saved then I had to change my ways
No going back cos I know he's got a plan
Got me faithful, I'm gonna be a better man
Now I'll do anything, I'll proclaim Him at all cost
He's paved the way for us to save the lost
He's my God, my Saviour's in me
He's in me, my God is in me
Oh my God is in me
Sent His son to die on the cross for you and me
Oh my God is in me
Then He rose and paid it all for you and me

Bridge

Oh my God is in me, we gotta praise Him, we gotta
praise Him
Oh my God is in me, we gotta praise Him, we gotta
praise Him

Oh my God is in me, we gotta praise Him, we gotta
praise Him
Oh my God is in me, so put your hands up into the sky,
sing one more time
