Chorus

Iâ€™ve made up my mind ya know
This time I wonâ€™t take no more
No playin no games no more
Iâ€™m stayin, no fadin no more
Iâ€™ve found my place, Iâ€™ve changed my ways
This how Iâ€™m gonna spend my days
No chains they canâ€™t handle no more
No pain I canâ€™t handle no more

Verse

Ha, I comin right to ya door
Back from the streets about to blast once more
No holdin back, come along and recognise
Itâ€™s the one they talking about, yo we takin the
frontline yo
Ha, from the front to the back
Got to keep self intact, theyâ€™ll be no time to react ha
Cos when the chips laid down we best done served
Praise the Lord Most High, release His spoken word yo
Ha, you donâ€™t wanna go on a wack track
And make tracks that damage ya path, that makes ya
slacker
Cos life can be so hard with no place to turn
No one to count on when your backs against the wall yo
But ya know, The Way, The Truth and The Lifeâ€™s for
certain
Ya better lock down til the final curtain
Cos theyâ€™ll be no more pain and no struggle no
more
Ya ready to go, lets go, lets go, haâ€!

Chorus (repeat)

Verse

Rise up, rise up, ya got to feel that fire
Rise up, rise up, ya got to feel that desire
Rise up, rise up, can you feel that power
Rise up, rise up, itâ€™s gonna take you higher
Rise up, rise up, ya got to feel that fire
Rise up, rise up, ya got to feel that desire

Rise up, rise up, can you feel that power
Rise up, rise up, it's gonna take you higher
Ha, ya got to keep on keeping on
Keep the fire burnin locked on Zion
Cos the day gon come when the Son will shine
Ya know we gotta stand up for Christ, it's the
bottom line
So much to do, and so much to handle
Fight the good fight, it's not a losing battle
Represent rock the stage for the number one
Rise up rock the stage for the number one yo

Bridge
Woh!
