Intro

Yeah! There comes a time when you gotta deal with
your situation

Cos there's only one way, one truth and one life

(Oh) (One way, one way, one way) (x4)

Verse

I've seen a lot of things, been a lot of places

And I've seen a lot of people with sorrow on them
faces

And people lost in need of a touch

Somebody put your hands up cos enough is enough oh

Cos now it's time to live a better life oh

No more compromising in your live oh

It's alright, we gotta all rise

We goin to the top, we're goin

Chorus

(Oh) One way, (One way, one way) there's only one
way (One way, one way)

Only one way, I'm going to the top

I'm goin to the top, I'm goin

(Oh) One way, (One way, one way) there's only one
way (One way, one way)

Only one way, we're climbing to the top

We're goin to the top, we're goin

(Oh) (One way, one way, one way) (x4)

Verse

Keep your head up, one way ya know

Keep your head up, cos there's no other way to go

Keep your head up, one way ya know

Keep your head up, all you gotta do is trust the Saviour

Hold on! you gotta stand up and fight

Hold on! you gotta fight for your life

Hold on!

We're going to the top, we're goin

Pre bridge break

(Oh) Keep your head up (One way, one way) x4

Bridge

I just want to stand up with you

And reach for the stars I'm coming to ride with you

I just want to reach out to you and pray
