Hey baby Iâ€™m new in town. Youâ€™ve seen me around

And you know Iâ€™ve seen you too.

Girl, Iâ€™ve heard you know a lot of men

But noone told me how well they know you.

Well I believe desire should never be ignored.

Now Iâ€™m aware of mine, are you aware of yours?

Just tell me itâ€™s alright. Tonight youâ€™re mine.

Itâ€™s gonna be the night of your life tonight.

Itâ€™s too late to tell me what Iâ€™m gonna find.

Your reputation has preceded you.

Iâ€™m not interested in what you did.

All I need to know is what youâ€™re gonna do.

Make my dreams come true.

Now we both feel the fire, it cannot be denied.

Just open up your doors and let me come inside.

Just tell me itâ€™s alright. Tonight youâ€™re mine.

Itâ€™s gonna be the night of your life tonight.

Letâ€™s go, baby, find out what Iâ€™m like,

Your body language says youâ€™re not the nervous type.

Youâ€™ll know me better by the morning light.

Weâ€™ll stay on top of the things we need tonight.

Now time is wasting, let me taste your lips of wine.

No hesitation, now, will it be your place or mine?

Just tell me it's alright. Tonight you're mine.

It's gonna be the night of your life tonight.

It's gonna be alright. Tonight you're mine
