Well, Iâ€™ve been up and Iâ€™ve been down

And Iâ€™ve been just about all around.

No matter which way I go, always land on my two feet.

Itâ€™s time, gonna love me a woman,

So pretty till you see her in the morning.

Sit tight, itâ€™s gonna be alright.

Yea, Iâ€™ll be back, donâ€™t hold your breath.

You look cute, youâ€™re gonna go far,

Got 52 Ds in a 44 bra.

Say big mac, blackjack, youâ€™re giving me a heart attack.

Seeing double â€™bout the way youâ€™re stacked.

Oh, what a scene, limousines.

I need a drink of anything,

Scotch and soda, or maybe even antifreeze.

Sittinâ€™ pretty on top of the city.

Hey, babe, I think itâ€™s time to make a getaway.

Iâ€™m movinâ€™ on when push comes to shove, Iâ€™ll be gone.

Iâ€™m movinâ€™ on.

When push comes to shove, Iâ€™m gone.

Well, I dance black and I dance white

And I got the soul and I got some fight.

Say where you goin' baby?

Got something I wanna show you.

You're so smart you know what I need.

I know I got what you want.

Come on just do it for me.

Guaranteed you'll go to the top.

I'll make you a star, take you out of the woods,

Come on jump in my car, we'll take a look at the goods.

It's like a see-saw, quick draw, can't wait no more.

I'm shootin' craps but you can't be sure.

My motor's runnin', we're hummin',

Should be going when I'm coming.

I think I left something cooking in the oven.

I gotta hurry but baby don't you worry.

What can I say? It's time to make a getaway.

I'm movin' on.

When push comes to shove, I'll be gone.

I'm movin' on.

When push comes to shove, I'm gone.

Well it's no sweat, no threat, I ain't been caught yet.

And what for?

There ain't no law against

Hot lights, cool scene, one night, break clean.

I can't resist a lady, long and lean.

Talking just right, skin tight, a six pack of dynamite.

It's no fun if there ain't no fight.

Well it's all play, no pay, short stay, honey babe,

Senorita, I'll be on my way
