Did you ever
Climb to the top of a tree
Fall down
And carve initials in for me to see?
Did you ever?
Did you want to?

Did you ever
Climb to the top of the tree
Fall down
And carve initials in for me to see?
Did you ever?
Did you want to?

Did you ever
Fall in love with a small girl
(Fall in love)
All she wanted was a baby
And maybe both meant it?
Did you ever?

He said, here's what I'll do
I'll split myself in two
And that way, you can be with me
And I can learn to be with you, yeah
(lil)

Did you ever
(lil)
Pinch her cheeks and call her fun
She was sweet
And spicey and spoiled really young?
Did you ever?
Did you want to?

He said, here's what I'll do
I'll split myself in two
And that way, you can be with me
And I can learn to be with you
(lil)
I can learn to be with you
I can learn to be with you

(lii)

I can learn to be with you, yeah

Ahh

Ahh

Did you ever?

Did you ever?

Did you want to?
