I like you, I like you
You are cute, you are cute
With your flannel shirt
And your hiking boots

I like you, I like you
You are fine, no, you are fine
Grunge couple does still have
A real good time

Grunge couple
(Grunge couple)
Grunge couple
(Grunge couple)
Grunge couple
(Going out of my mind)
Grunge couple

Grunge couple
(Have a good time)
Grunge couple
Grunge couple
(I'm going out of my mind)
Grunge couple

We love each other
There's no catch
We have tattoos
Nose rings that match

We go to meetings
And play pool
We do whatever
Is really cool
