Her name was Raina  
She blew my mind  
What a mouth she had on her  
What a thing you'd never want to find  
She blew my mind

I walked her to the door  
I said, "I don't want to look at you anymore"  
I walked her to the door  
I said, "I don't want to look at you anymore"

Her name was Raina  
She made me sick inside  
With all her chitterchat  
I want to run and hide  
She made me sick inside

I walked her to the door  
I said, "I don't want to look at you anymore"  
I walked her to the door  
I said, "I don't want to look at you anymore"

Raina, she blew my mind  
She made me sick inside
