And I looked, away from you
And I found, a better way to do it
And I've seen some younger people happy
As can be, but not as especially

Happier than me
Happier than me

You may run, like a bitch in heat
But it's fun
To sometimes try to retreat from the sun
'Cause it's awful lonely

Where I'm coming from
Where I'm coming from

La, la, la
La, la, la
La, la, la

Retreat from the sun
Retreat from the sun
Retreat from the sun
Retreat from the sun

La, la, la
La, la, la
La, la, la...
