It's been goodnight  
It's been goodbye  
It's been so long that  
I might cry

One drunken kiss  
A drunken lie  
Hung over mornings  
And a sobering cry

I've never given back to you  
All the pain you've put me through  
And i've never given back to you

A rainy day and a beautiful night  
A hung jury and a bed uptight  
I've been alone through the nights  
I'll be alone until the day i die

Cause i've never given back to you  
All the shame you've put me through  
And i've never given back to you  
All the love in the world  
To give to a little girl  
No matter how hard i've tried  
This will be until the day i die.

I've never given never give to you  
And i've never given never give to you  
You  
You  
You  
You  
You  
It's been goodnight  
It's been goodbye  
It's been so long that i might cry
