You are here
You are there everywhere
Love me too
'Cause you know that I'm nowhere

Something in the way you move
Distracts me like no other
Something in the way you move
Distracts me like no other, no other

Eight times a week is not enough
To show I'm there
You can confide your love away

Something in the way you move
Distracts me like no other
Something in the way you move
Distracts me like no other

No other
No other
No other
