Well now I never went to college, babe
I did not have the luck
Stole out of Indiana in the back of a
pickup truck
With no education higher
Than the streets of my hometown
I went looking for a fire
Just to burn it all down

Chorus
You've got a real fine love
You've got a real fine love
One I am unworthy of
You've got a real fine love, baby

Yeah, I thought I had a line on something
Maybe no one else could say
And they couldn't find it in there hearts
To just get out of my way

Then out of nowhere, and for nothing
You came into my life
I'd seen an angel or two before
But I'd never asked one to be my wife

Chorus

Well you can sprinkle all your teardrops
Across the evening sky
But you cannot hide that twinkle
Of starlight in your eye
Well I left my map way back there baby
I don't know where we are
But I'm gonna pull my pony up
And hitch my wagon to your star

Chorus

Well now the babies are all sleeping
And the twilight's givin' in
She looks like you, he looks like her

And we all look like him
Well maybe it's just a little thing
The way I feel tonight
A little joy
A little peace
And a whole lot of light

Chorus - twice
You got it
