Alone  
I'm by myself  
In this messed up world  
I just wanna face it alone (lone)  
It almost got to me  
But I'd never really see  
How important you are to me  
(To me to me)

I'm messed up inside  
I just wanna cry  
But I'm not gonna let it get the best of me  
Bottled up inside  
Leave me till I die  
I just wanna be alone  
Just wanna be alone

Go away  
Gonna cry  
Lave me hear  
Till I die  
Just wanna be alone

(x2) I'm messed up inside  
I just wanna cry  
But I'm not gonna let it get the best of me  
Bottled up inside  
Leave me till I die  
I just wanna be alone  
Just wanna be alone

I am fine now  
I don't wanna cry  
I'm not gonna die  
Come to me  
You know I love You  
I Love You

This song is to my mom. I just wanna let you all know, you'll feel your messed up in a world messed up but you just gotta move on.
