My name is Anika
You can call me anytime, anytime you want
I live above you on the second floor
Just a few steps away from the elevator door

Time, time after time
When I see you in your car and you're driving by
I mumble, I mumble, I mumble to myself

I wish I had a crystal ball
And a two-way mirror right down the hall
Like a dancing fly upon the wall
I'm watching you

I - I'm fumbling, fumbling, fumbling over you
I - I'm fumbling, fumbling, fumbling over you

OK I fantasize
Got a one-way ticket into your life
Cause I'm watchin' you tonight

Please, please, Mr. please
I'm lost in love and I do believe
That I'm guilty, guilty, guilty
as sin

I wish I had a crystal ball
or a two-way mirror right down the hall
Like a dancing fly upon the wall
I'm watching you

I - I'm fumbling, fumbling, fumbling over you
I - I'm fumbling, fumbling, fumbling over you

Do you know that I've seen you
Do you know that I need you now
So please let me please you
Say yes, tonight

I wish I had a crystal ball
or a two-way mirror right down the hall

Like a dancing fly upon the wall
I'm watching you

I - I'm fumbling, fumbling, fumbling over you
I - I'm fumbling, fumbling, fumbling over you

No I'm never, I'm never gonna let you go (x3)
I said, ooh ooh, ah ah, come on baby, wanna win, cha
cha (x3)
