So if you see me walking by  
Face to face and eye to eye  
Reach for my love deep inside  
'Cause I don't wanna let you go  
A million words, A billion smiles  
Will not be your alibi  
Talk to me but do not lie  
'Cause I don't wanna let you go

I don't like to play with fire  
Not under any circumstance  
You've been actin' crazy lately  
Yeah, yeah  
Went to the fortune teller  
So I wouldn't kiss and tell  
He said you're not playin' faithfully, with me  
What I gotta do to make you happy  
What I gotta do to make you understand  
What I gotta do to open up your heart and let me in

[Chorus]

I'm not good at tippin' [?] pretty  
I'm not a girl that's up for sale  
Don't try to sugar coat me up with money, honey  
I wanna feel intoxicated,  
I wanna ride a big balloon  
I want a reservation to the moon, and soon  
What I gotta do to make you happy  
What I gotta do to make you understand  
What I gotta do to open up your heart and let me in

[Chorus]

Owe me some happiness  
Oh baby, do confess your love for me, precariously  
Yeah, yeah  
Pick up the telephone, I'm bored and all alone  
Get me out of here  
Wont you die 'em dear [?]  
Yeah, yeah, yeah

[Chorus x2]

So if you see me walking by  
Face to face and eye to eye  
Reach for my love deep inside  
'Cause I don't wanna let you go  
A million words, A billion smiles  
Will not be (Oooh) your alabi  
Talk to me but do not lie (What I gotta do to make you  
love me)  
'Cause I don't wanna let you go  
(What I gotta do to make you care)

So if you see me walkin' by  
Face to face and eye to eye  
Reach for my love deep inside...
