Come on, let me love you
Won't you let me inside?
I tried so hard to show you a beautiful life,
A beautiful life

Tell me you remember
All the things we've shared
More than any other, show me you care,
Show me you care

'Cuz I can't stop thinking about,
Thinking about you, baby
No, I won't let you down

'Cuz I can't stop thinking about,
Thinking about you, baby
No, I won't let you down

I keep holding on 'cuz my love is strong

And I can't stop thinking about,
Thinking about you, baby
Can't stop thinking about you

Excuse me if I've fallen
Outside the dainty light
Because of you, my heart's been stolen tonight
With one look in your eyes

And I can't stop thinking about,
Thinking about you, baby
No, I won't let you down

'Cuz I can't stop thinking about,
Thinking about you, baby
No, I won't let you down
I keep holding on 'cuz my love is strong

And I can't stop thinking about,
Thinking about you, baby
Can't stop thinking about you

What if I pulled you close to my intentions?
What if I build my world around your heart?
What if I would find you, would you still follow?
Come into my world, be with me tomorrow

Come into my world...

'Cuz I can't stop thinking about,
Thinking about you, baby
No, I won't let you down

No, I can't stop thinking about,
Thinking about you, baby
No, I won't let you down

I keep holding on 'cuz my love is strong

And I can't stop thinking about,
Thinking about you, baby
Can't stop thinking about you

You....

Can't stop (I can't stop, I can't stop thinking)
I can't stop thinking (No, I can't stop, I can't stop
thinking) X5 (fade out)
