[Mista Menor Talking]

We gonna do this one hear for my nigga Prime Time,
Somethin' like this

[Mista Menor]

You better bounce, shake it up,
Walk it like a dog, my nigga PT will make a hoe take it
off,
Don't stunt, pop it up and bring it to the front,
Work that twerk that pop that butt,
Now bring it to me, bust a fast move baby girl and send
it to me,
You off the hook, you make me throw away my black
book,
Red Bone, Lil' Bone we can get it on,
You a popper I'ma watcher, we can bring it home,
You like sex baby girl, we can make a porn,
Now tonight you can hit a nigga on his arm,
I'm a nigga that be fuckin' to the early morn,

[5th Ward Weebie & Mista Menor-Chorus]

[5th Ward Weebie]

I like a bitch, who love to work it and,
Shake it twerk it for Weebie,
Smack ya on the ass, and say baby you off the heezy,
Drop it hotter then a lava for Prime-Teezy,

Hold up baby, back it up girl you smell cheezy,
Bend it over, touch yo toes, let me see the pussy hole?
Hit it from the back girl, watch I make that pussy swole,
Take it to the top, wobble wobble 'til you drop,

Now drop the pussy, work the pussy,
Serve the pussy, hit the pussy,
Quit the pussy, pass the pussy,
