Some were born to light
Some into the endless night, baby
Every man's got to find
What's there behind the silver side now, baby

Would you take me tonight
Back into the garden of delight?
Don't let the promise in your eyes
Ever stop burning up so bright

Sunlight in your hair
Those who live are those who dare

I'm coming back for you
Beneath the blue
I'm coming back for you
Beneath the blue

Some hearts born to cry
Some into the endless lie, baby
Every man's got to find
What's there behind the lonely side now, baby

Would you take me tonight
Back into the gentle grace of your light?
Don't let story in your eyes
Ever stop burning up so bright

Sunlight in your hair
Those who live are those who dare

I'm coming back for you
Beneath the blue
I'm coming back for you
Beneath the blue

I love the sunlight in your hair, yeah
And baby those who live are baby those who dare

I'm coming back for you
Beneath the blue
I'm coming back for you

Beneath the blue

I'm coming back for you

Beneath the blue

I'm coming back for you

Beneath the blue

I love the sunlight in your hair

Those who live are those who dare

I love the sunlight in your hair
