"Blind For Love"

At the first in the morning I know I've gotta get out of
here
I run around your room trying to find some gear
I notice you in your bed, you're smiling at me
Seems you don't understand my lady

Blind for love
I'm always losing someone
I'm blind for love
I never knew I stared(?) at you anytime

Leading this type of life leaves you so strong
When you're blind you don't even know when you're
wrong
Next time you see me I'm sure you'll burst into tears
Seems you don't understand I'm escaping my fears

Blind for love
I'm always losing someone
I'm blind for love
I never knew I stared at you anytime

Sunday morning it comes into the light again
Three days gone I haven't even seen my baby
I've got you by my side, you're smiling at me
Seems you don't understand I must

Blind for love
I'm always losing someone
I'm blind for love
I never knew I

Blind for love
I'm always losing someone
I'm blind for love
I never knew I stared at you anytime
