She's done with playing Jesus  
She's gonna need a friend  
I don't wanna stay here  
Cause I know how this will end

She had another falling  
She knows just what to do  
Just like Sid and Nancy  
I will be bleeding after you

Dead n gone!  
Like a sad song!  
Baby hold on!

Dead n gone!  
I can play along!  
Baby so long!  
Dead n gone!

She's done with playing Jesus  
She knows just what to do  
I don't wanna stay here  
I will be bleeding after you

D-d-d dead n gone!  
Like a sad song!  
Baby hold on!

Dead n gone!  
I can play along!  
Baby so long!

Dead n gone!  
Like a sad song!  
Baby hold on!

Dead n gone!  
Just to lay here and light turned  
Just to hold it in  
But if blood can lie then...

I don't need your love!!

Dead n gone!  
Like a sad song!  
Baby hold on!

Dead n gone!  
I can play along!  
Baby so long!

Dead n gone!  
Like a sad song!  
Baby hold on!

Dead n gone!  
I can play along!  
Baby so long!  
Dead n gone!

I cannot stay I cannot play along  
Dead n gone  
It's so called ruined just like a sad song  
Dead n gone!  
Why do we stay why do we play along  
Dead n gone!  
It's so called ruined just like a sad song  
Dead n gone...  
Dead n gone...
