I'll be waiting for you, baby
I'll be waiting for you, baby
I'll be waiting for the new dawn begun
I'll be waiting for the new world to come

All you innocent people
Don't care about me
All you innocent people

I hear the angels calling
And the rain starts falling
Thunder and storming
Devioso
Brings justice by the morning

I'll be waiting for you baby
I'll be waiting for you now baby
I'll be waiting for the new moon begun
I'll be waiting for the new blood to run

All you innocent people
Don't care about me
All you innocent people

I hear the angels calling
And the rain starts falling
Thunder and storming
Devioso
Brings justice by the morning

Angels calling
The rain starts falling
Thunder and storming
Devioso
Brings justice by the morning

I hear the angels calling
And the rain starts falling
Thunder and storming
Devioso
Brings justice by the morning

Angels calling
The rain starts falling
Thunder and storming
Devioso
Brings justice by the morning

Devioso
Devioso
Devioso

I hear the angels
I hear the angels
I hear the angels
calling on me
