Take this kiss
With slow embrace
To the darkest place
Just you and I
Through these walls
To the other side
Where our souls collide
Never to die

Into the grave
We waltz
From the light
Out of the graves
Only love will survive
Thicker than wine
Deeper than time
We dance
To the dark delight

Without end
Through ash and dust
In our hearts, we trust
What fate has allowed
Beyond this time
On the other side
Where nocturnals lie
Living to die
Into the grave
We waltz
From the light
Out of the graves
Only love will survive
Thicker than wine
Deeper than time
We dance
To the dark delight

Join together
Bound forever
Deeper, stronger
Nothing can tear us apart
In this world

Into the grave
We waltz
From the light
Out of the graves
Only love will survive
Thicker than wine
Deeper than time
We dance
To the dark delight
