When the moon is full and shining bright  
Cold wind blowing inside  
I've got chills something just ain't right  
Baby it's you tonight

I've seen it all coming in my dreams  
A thousands nightmares torturing me  
I never though there's a killer in me  
It's you or me tonight

I ain't looking for no head  
From some fucking living dead

Dirty ass Frankenhooker  
Got no class graveyard strutter  
Dirty ass Frankenhooker  
Down to kill tonight

Through the frozen ground, ice and snow  
You finally found your way back home  
I've got tell you something you don't know  
Baby you're dead all right

I woke up into my own scream  
A thousand zombie girls running after me  
I never thought I could feel this lonely baby  
I need your love tonight

But I ain't looking for no head  
From some fucking living dead

Dirty ass Frankenhooker  
Got no class graveyard strutter  
Dirty ass Frankenhooker  
Down to kill tonight  
Dirty ass Frankenhooker  
Got no class graveyard strutter  
Dirty ass Frankenhooker  
I don't need your love tonight

YOU SUCK!
