I'll be waiting for you, baby
I'll be waiting for you, baby
I'll be waiting for the new dawn begun
I'll be waiting for the new world to come

All you innocent people
Don't care about me
All you innocent people

I hear the angels calling
And the rain starts falling
Thunder and storming
Hevioso, brings justice by the morning

I'll be waiting for you, baby
I'll be waiting for you now, baby
I'll be waiting for the new moon begun
I'll be waiting for the new blood to run

All you innocent people
Don't care about me
All you innocent people

I hear the angels calling
And the rain starts falling
Thunder and storming
Hevioso, brings justice by the morning

Angels calling
The rain starts falling
Thunder and storming
Hevioso, brings justice by the morning
