Dream dream dream my child  
Dream of passion becomes alive  
In a dream I saw you smile  
In a dream worthwhile  
In this dream we cannot hide  
In this dream alongside  
Dream dream dream my child  
Dream of passion becomes divine

Diana

I just can't run away  
It's just like a kiss away  
From your lips of blood  
From your lips

Dream dream dream my child  
Dream of shadows become alive  
In a dream I followed your kind  
In a dream dark side  
In this dream we can be found  
In this dream blood bound  
Dream dream dream my child  
Dream of shadows become all mine

Diana

I just can't run away  
It's just like a kiss away  
From your lips of blood  
From your lips
