You got a perfect skin,
With a Devils grin.

Say hello to the pretty eyes,
Say hello to the deadliest lies.
You got the looks, baby,
I could die.
You got the looks.
You got a murder style.

(Perfect)
You can't keep me waiting forever, baby.
(Your skin, perfect skin)
It's getting hot,
Who's going to rescue me?
Nothing here
You got a perfect skin,
With a devil's grin.

Say hello to the pretty eyes,
Say hello perfect alibis.
Shake your hips, baby,
I could die.
Shake your hips,
You got an L.A. style

(Perfect)
You can't keep me waiting forever, baby.
(Your skin, perfect skin)
It's getting hot,
Who's going to rescue me?
Nothing here
You got a perfect skin,
With a devil's grin.
You got a perfect skin,
Lies like sin.

Jenna.
Paris.
Jessica.
Mara.

Gene.
Jonna.

You got the looks, baby,
I could die.
You got the looks.
You got a murder style.

(Perfect)
You can't keep me waiting forever, baby.
(Your skin, perfect skin)
It's getting hot,
Who's going to rescue me?
Its okay, that's alright now,
But I ain't going to burn in flames.
Let it go now.
Let it go now.

(Perfect)
You can't keep me waiting forever, baby.
(Your skin, perfect skin)
It's getting hot,
Who's going to rescue me?
You got a perfect skin.
You got a perfect skin,
With a devils grin.
Perfect skin.
With a devils grin.
Perfect skin.
