A new day for a mission
Another sunrise in your heart
Gimme tears of the wrong the hate of convicts
The glamor of the damned, rule of Benedict

I've never seen the dawn like this before
Tears on the night turn to diamonds in your eyes
In the face of the world's ugliness
Sister of charity remains a mystery

Love shines over aggression
Another wound heals in your heart
Gimme fears of the strong, the warfare politics
The decay of the west, rule of Benedict

I've never seen the dawn like this before
Tears on the night turn to diamonds in your eyes
In the face of the world's ugliness
Sister of charity remains a mystery
