Just walk away from these dreams  
And talk the pain what it seems  
Angel of my revelation  
I don't really want to let you walk  
Away from these dreams

You gotta turn it all over, you gotta turn it all over  
All over again

Kick the chair right down under me  
Leave me hanging alone in misery

Walk away from these dreams  
And talk the pain what it means

Angel of my revelation I don't really want to hurt you  
So walk away from these dreams

You gotta turn it all over; you gotta turn it all over  
All over again

Kick the chair right down under me  
Leave me hanging alone in misery

Kick the chair right down under me  
Leave me hanging alone in misery
