well i'm truckin' on on a heavy load million miles
from home gotta movin' on all night long baby come
along to hell
and back like a heart attack best ride you ever had
and i'm comin' to you gonna blow your fuse watcha
gonna do
gotta get high and real loaded gotta get back to the
gator
sweat blues gotta get high and real loaded livin' on the
edge
in the dead man's shoes well i'm drivin' amok
doggone's my luck
but i don't give a fuck and i'm feelin' mean bleedin'
gasoline
would you lick it clean everybody needs dreams to ride
on by
but what i need is to see my name shinin' on the neon
lights truck on baby
